Discussion and/or Comments:

We still have not received the Colorado Department of Public Health and Environment (CDPHE) comments on the Operable Unit 2 (OU 2) Draft Phase II Resource Conservation and Recovery Act (RCRA) Facility Investigation/Remedial Investigation (RFI/RI) Report which is due September 21, 1995. This report is an Interagency Agreement deliverable, and CDPHE comments must be incorporated in order to finalize this deliverable. At a recent meeting, CDPHE strongly indicated that comments would be provided.

As per Part 42, Extensions, of the Interagency Agreement (IAG), we should request an extension in a timely fashion. The extension request for the OU 2 Final Phase II RFI/RI report is based on Paragraph 222(B) where the good cause is the delay caused by CDPHE not submitting comments on the Draft Phase II RFI/RI Report. These comments, or notification that no comments will be made, are required in order to finalize the report and were due on August 1, 1995.

We should request an extension of the OU 2 Final Phase II RFI/RI report from September 21, 1995 to October 21, 1995. Then, when CDPHE comments are received, another extension may be requested in order to adequately address these comments.

If you have any questions, please contact Annette Primrose at extension 8618.
